Food, diets, allergies

If there's any person with special diet/ allergies, please inform us about this (via participation form attached above the infopack). It is especially important for us to know about diets/allergies/special needs.

COVID -19

Due to unstable situation with COVID-19 it's OBLIGATORY to have a health insurance and travel insurance. We would kindly ask participants to bring their individual protection (e.g. masks) and any other medicine they feel needed. Participants are themselves responsible to get a travel insurance. If there's anyone who uses medicine should bring with themselves. We don't give any medicines and we don't cover insurance fees. During the meeting we will take care of safety (e.g. fever measurements and usage of sanitizers) and follow the recommendations announced by Polish Ministry of Health, if any by that time.

We hope that situation with Covid-19 will not affect our event and we all be meeting very soon.

When you arrive to Poland from Schengen zone you need to show the negative PCR covid test (antigen or molecular) to avoid the 10 days quarantine.

The test should be made before arriving to Poland, it is valid 48 hours from receiving the results*; The test should be in English or Polish.

You can make such test at the airports.

People who have been vaccinated against Covid-19 with the vaccine approved by EU are not obliged to go for quarantine.

ERASMUS+

The Erasmus+ programme aims to boost skills and employability, as well as modernising Education, Training, and Youth work. The seven year programme will have a budget of €14.7 billion; a 40% increase compared to spending levels between 2007 and 2013, reflecting the EU's commitment to investing in these areas. Erasmus+ will provide opportunities for over 4 million Europeans to study, train, gain work experience and volunteer abroad.

Erasmus+ will support transnational partnerships among Education, Training, and Youth institutions and organisations to foster cooperation and bridge the worlds of Education and work in order to tackle the skills gaps we are facing in Europe. It will also support national efforts to modernise Education, Training, and Youth systems. In the field of Sport, there will be support for grassroots projects and crossborder challenges such as combating match-fixing, doping, violence and racism.

Erasmus+ brings together seven previous EU programmes in the fields of Education, Training, and Youth; it will for the first time provide support for Sport.
